RE: DANIEL J. SCHWEIG
2332 Harrison Street

Do we have an adverse record on the above mentioned individual in the personnel files?

This man is 42 years of age who says he was registered as an Assistant Scoutmaster- year 1957 - one year - in New York, N. Y.

Mr. Schweig is not now, nor will he be related to Scouting in this Council. I am suspicious of this gentleman.

Thank you for your help in this matter.

Sincerely yours,

W. R. Dukelow

PERSONAL AND CONFIDENTIAL

Dear Harvey:

Bill Dukelow just wrote us and his lead sentence was "Do we have an adverse record on the above mentioned individual in the personnel files?" This was in reference to Daniel J. Schweig, 2332 Harrison Street, Oakland, California.

We sure do! Mr. Schweig first came to our attention in November of 1964 from Washington, D. C.. He had formerly been active as Assistant Scoutmaster with Troop 560 in Manhattan, New York City.

Of course, I cannot give you specific information as to the nature of the reasons why we are unwilling to accept Mr. Schweig's registration. I hope you will be able to accept my statement that under no circumstances should this man be allowed to have any association with boys in the Scouting program, either officially or unofficially. The nature of our information concerning him is such that we will never again, knowingly, accept his registration in the Boy Scouts of America.

Please thank Bill Dukelow for bring this matter to our attention. His suspicions are entirely correct. Best personnel regards.

Sincerely yours,

Attn: George R. Myers, Director of Field Service

Dear Ollie:

Thank you for the information concerning Daniel J. Schweig. It would certainly appear that he should be listed with us in a confidential capacity and we will take steps to have this happen. However, the information you have provided us is quite general and I am wondering if there is any possibility that you can be more specific.

Cases of this type are never easy, but in all cases we must extend any possible effort to have factual information in our files that will justify taking this type of action.

Could and would you please provide us with more definite information and facts? In addition, would you please also fill out the enclosed confidential record sheet and return it to us, together with the above requested information. This will then enable us to identify Mr. Schweig should he ever again attempt to register in the Scouting program.

Mr. Howard Boyd
Director of Registration
Boy Scouts of America
New Brunswick, New Jersey

Dear Howard:

After careful consideration and investigation, we feel that the following man should not be registered with the Boy Scouts of America. A description of the man and a short summary of the reasons that prompted us to take this action appear below.

Mr. Daniel J. Schweig
3801 Conn. Ave., N.W.
Washington 8, D.C.

It has been brought to our attention by a reliable source of the police department that Mr. Schweig is a suspected sex pervert. While he has not been charged or convicted of any crime, he is a leading suspect in the Metropolitan area of any crime involving the sexual molesting of children. Therefore, we do not feel that he can be registered with the Boy Scouts of America.

He was formerly registered with the Manhattan Council in Troop 560, New York, New York. When we told Mr. Schweig that we could not register him, he became quite angry and stated that he was going to write the National office. I do not believe that he will, but I mention this so that you could alert the proper people regarding any correspondence of this nature.

Yours most sincerely,

George R. Myers
